Superintendent Message

We're thrilled to announce the 2024 Central Unified State of the District, hosted by the Foundation for Central Schools on October 17th. Join us on this day at the Fresno Fields, Wedgewood Center at 5pm to celebrate our District's incredible achievements.

This year, we're spotlighting our 2024 Champion Honorees and marking an extraordinary 20-year milestone of our Foundation. For two decades, our Foundation has been changing lives through education. We are so thankful for the efforts of this incredible group, most who volunteer to assist. And now, this is your chance to be part of that legacy.

By attending the State of the District, you help elevate the stories of those making a real difference in our community. Every dollar raised supports vital programs that enrich our students' lives in tangible ways. Imagine the impact of your contribution:

- Providing warm jackets and nutritious meals for students in need
- Ensuring access to textbooks, grants, scholarships and learning resources
- Funding opportunities in academics, arts, agriculture, athletics, and well-being

This is more than just an event. It's a chance to create a lasting, positive ripple effect that goes far beyond the classroom. By sponsoring or purchasing a dinner ticket, you're building a strong foundation for our students' success. I look forward to seeing you on October 17th.

Sincerely,

Ketti Davis, Superintendent
