

# BUILDING A FOUNDATION FOR THEIR FUTURE

## Mission

To serve as advocates and ambassadors of Central Unified School District, by encouraging community investment and involvement in the core pillars: Academic's, Arts, Agriculture and Athletics.

## History

For 19 years the Foundation for Central Schools has advocated for community investment and involvement in Central Unified School District. Nearly \$1.5 million dollars has been raised to provide grants, scholarships and district project's that benefit Central Unified students and teachers.

In October 2022, The Well-Being Project kicked off, as an expansion of The Holiday Joy Food Drive. The project focuses on providing resources for food, housing and health. Including the first food pantry at Teague Community School. In addition, three district-wide clothing closets have opened and over 18,000 coats and sweaters have been distributed to students throughout Central Unified.

The Foundation will celebrate 20 years during the 23-24 school year.

# 2ND ANNUAL CHARITY GOLF TOURNAMENT

**JUNE 25, 2023**  
**SHOTGUN START 8AM**

Riverside Golf Club
