SUPERINTENDENT MESSAGE

“Thank you for investing in the future success of our community through the Foundation Scholarship Program. I am incredibly grateful.”

Ketti Davis
Superintendent, Central Unified
Board Director, Foundation

Central Unified is focused on our vision. We will be a regional leader in education where all students graduate ready for success. To get there takes hard work and partnerships with organizations and individuals who are also committed to helping our youth become their very best. Investing in student scholarships will help students to get started. Thank you for considering how you can add to our community's success by investing in our students through donations made to the Foundation for Central Schools.

PAST SCHOLARS GIVE THANKS

– A Hollins 2022

"FOR JANESEA"

I'm not majoring in Pre-Allied Health for just myself but for my parents, for my brothers, for my sister, and for Janessa, especially since this would be her senior year of high school.

– D. Casares 2019

"THANK YOU"

I would like to formally thank the Central foundation for selecting me as a Janessa Ramirez Scholarship recipient. This scholarship will help me pay for tuition and housing at CSU Long beach; an opportunity I may not have been able to take without the award.

"I AM MOTIVATED TO BETTER OUR COMMUNITY"

I can ensure another Nurse Practitioner will join this world in a large shortage and help serve our community.
